Piano (ages 4-99)

Learning how to play the piano can be frustrating but in our brand new piano program, we are making it easier! WE will discover the basics of piano so each child will be able to become the next Mozart. From reading music to placement on keys and learning music in a fun way, this is a great class to start your child’s music passion. Please contact Elizabeth Simon for more information at 301-530-8500 or elizabeth.simon@ymcadc.org.

05001-56	Thursday	30 minute lessons	\$160	\$180	Elizabeth
05001-56	Friday	30 minute lessons	\$160	\$180	Alex

Creative Arts

Here at YMCA Ayrilawn we know that learning outside of the structured classroom environment is essential to development. Our enrichment classes offer additional learning experiences for kids to further their understanding of concepts by utilizing hands on approach in a smaller class size. Instructors are able to focus on each child’s grasp of a project or problem solving abilities as we continue to teach each other in a less formal setting. Please contact Elizabeth Simon for more information on Creative Arts at 301-530-8500 or elizabeth.simon@ymcadc.org.

09001-04	June 16	School's Out for Summer	\$25	\$30	\$40

Teen Programs

Youth & Government (ages 14-18):

The Bethesda chapter of the YMCA DC Youth & Government Program (YAG) welcomes you. The YMCA-YAG program empowers youth to become critical ethical leaders and responsible citizens through training in the theory and practice of making public policy. Students who participate in our program will partake in thoughtful discussions on issues affecting their communities. These discussions will occur in weekly meetings with YAG advisors and volunteers who have a background in government and civic engagement. Students will be responsible for drafting bills to address their issues of choice, which could ultimately be presented to the District of Columbia Mayor and City Council for review. Please contact Nina Bersabal for more information at 301-530-8500 or nina.bersabal@ymcadc.org or stop by one of our meetings.
