Time to tinker, make and create the latest and greatest "Thing" for the THINGAMAJIG® Invention Convention scheduled Thursday, July 23, 2020 at the Show Place Arena. Thingamajig Ready Prep will help the Y's summer day campers explore the world of invention and innovation with loads of fun and engaging activities that foster the curiosity and creativity of tomorrow's leaders.

Children enrolled in the camp week of July 20th will have the opportunity to participate in this wonderful experience! YMCA Campers will design and create a cool gadget and learn to use reverse engineering; renew, reuse, redo and use real life problem-solving to design and build something amazing.

THINGAMAJIG® Prep teaches children to:

- Learn the importance of collaboration, teamwork and celebrating your creative nature.
- Learn how to use tools safely
- Pitch their invention while participating in the THINGAMAJIG® minimajig

After participating in Thingamajig Ready Prep, children will be ready and excited for THINGAMAJIG®!
