

A LETTER FROM OUR PRESIDENT & CEO

Angie L. Reese-Hawkins

The Y's summer day and resident camps provide structural opportunities for children to learn life lessons beyond the classroom. For over 160 years, the Y has impacted the lives of millions of children in the Washington, D.C. metropolitan area. As a nonprofit charity organization, the Y's camps provide services that foster a child's emotional intelligence, self-confidence, independence, healthy living and environmental awareness. They promote a love for learning and develop compassionate and cause-driven leaders. Our programs prevent summertime learning loss and help to fill the learning gap for over 2,000 children when they are away from the classroom, through enrichment programs that encourage reading and STEAM learning. Safety is also an important factor in our staff training. The Y's staff receives both domestic and international background checks along with continuous training throughout the year to help staff to be better stewards of your child's safety and well-being.

From the start of camp until the end, your child becomes a vital part of a caring community. That's what makes the Y special. Our doors are open to everyone so that together children can grow into adulthood with confidence and a passion for giving back to the community. Find out more about the Y's services and how you can be a part of the Y family as a volunteer or member.

Have a great summer and remember The Y. "For a Better Us."

Make this the BEST.SUMMER.EVER!

Best,

Angie L. Reese-Hawkins
President and Chief Executive Officer

IMPORTANT DAY CAMP INFORMATION

TRADITIONAL CAMPS

Traditional Camps are a great option for the first time camper or the camper with too many interests to choose just one. Campers enjoy arts & crafts, active group games, science experiments, cooking projects, field trips, swimming, and more. PLUS, camp themes change each week so campers are always experiencing something new and exciting!

SPECIALTY CAMPS

Does your camper dream of being an actor, chef, or magician? In Specialty Camp, campers can develop a greater passion for the things they love or can try out something new! Day campers spend approximately two hours of each day in their specialized activity, with the remainder of the day spent enjoying Traditional Camp activities.

SPORTS CAMPS

Sports Camp emphasizes team work, sportsmanship, and basic fundamentals. Part of the day will focus on skills and drills, educational games, and scrimmages while the rest of the day focuses on traditional camp activities. For a higher level of sports instruction, try Sports Academy where camps are taught by skilled athletes and coaches, eager to share their expertise.

LEADERSHIP (CIT)

Future leaders experience a week of training in working with 5-12 year olds - leading camp songs, games & crafts and learning the basics in First Aid & CPR (not a certification course). Participants will assist with the daily operations of traditional and aquatic camps; providing hands-on job experience while under the supervision of camp staff.

AQUATIC CAMPS

Have fun and keep cool this summer! Aquatic Camps are perfect for children of all ages. Each camper will spend at least two session blocks in the pool participating in a daily lesson, aquatic games, and free swim, learning important life skills. Campers are swim tested daily and placed in color-coded groups based on age and ability.
