

a typical day

A typical day at YMCA Summer Camp involves:

- opening songs & skits
- 3-4 activity times
- lunch + two snacks
- swim time (depending on COVID regulations)

Campers will enjoy different activities such as **arts & crafts, field games, and more!**

Campers will spend **most of the day outside**, weather permitting. On super hot days or rainy days, outdoor activities are modified to help keep kids safe.

Campers are grouped **together based on grade and age**. Each group has 10-12 campers and 1 or 2 counselors. Campers move with their group to different activities.

Closed-toe shoes are a must at camp. Athletic shorts and shirts or tank tops are good choices too. **Make sure your camper's attire allows them to run and play comfortably.**
