EVENTS

Pencil In

Pencil in event titles to map where outside our four walls you will bring a Y experience this summer.

Select with Strategy

Select events that reach a market likely to be attended by people in your target zip code and market. Before investing time and resources, determine the projected ROI.

Collaborate

Gain approval from Executive Director. Build coalition for the event with your fellow branch directors to deliver an engaging event and secure the desired result. Don't forget to track, report and celebrate your results!
