

The Make An Impact Place

For 175 years, YMCA donors have made an impact in their community. Their generous gifts help keep spaces open where friendships form, health goals are met, and young people discover what they're capable of.

Will you join our community of difference makers as a donor today?

**Each \$175
donation**

**helps send a child to
tennis or pickleball camp
where they will make
memories and learn skills
that last a lifetime.**
