Royal Academy of Dance

For levels Pre-Primary through Advanced Foundations, we provide the Royal Academy of Dance curriculum for students who desire a quality dance education. The levels are carefully designed for young growing children who are beginning dance. Grades one through eight also incorporate Character dance, a stylized dance based on east European folk dance, into their ballet studies. Character is an integral part of classical ballet repertoire. Royal Academy of Dance examinations are held annually each spring. Students advance to the next grade upon approval of their instructor or completion of their exam. For more information, please contact Keisha Thompson at (301)530-8500 or keisha.thompson@ymcadc.org.

Spring 2 Program Overview

April 22, 2019 – June 16, 2019

Youth Gymnastics Programs

Parent Child Gymnastics

From those first steps through toddlerhood, our Parent/Child classes promote early motor development, while they explore the gymnastics events. These mostly unstructured classes encourage free play using age-appropriate gymnastics equipment. Parents get to join in the fun as their little one explores their new mobility as they climb, hop, balance and swing!

Mini Movers (ages 2-3)

This class is a 45-minute class for both parent and child (2 to 3 years old) to develop strength and motor skills. Parents use games, playful exercises, and gymnastics equipment to develop your child's motor skills, coordination, and physical strength. Objectives of this class include for your child to have pride in physical achievement, develop a positive attitude toward exercise, and learn skills such as sequential motor planning. At least one (1) adult must be in class per child.

Youth Sports Leagues

Youth Sports Leagues

Given our investment in the community and children, we know that leagues are some of the best ways to advance youth sports in our community, promote friendship, exercise, teamwork, respect, responsibility, caring and honesty. Participants get assigned to a team based on the scheduling of parents/guardians and volunteer coaches. Players receive their own jersey and the satisfaction of being a part of something that they will remember for years to come. Sportsmanship and teamwork are always emphasized!

Spring Soccer League:

Teams are organized based on the scheduling of parents/guardians and volunteer coaches. Participants are registered based on age and skill level into one of three levels. If a parent wants to move up or down a division that is possible, the child may try a practice and a game but YMCA staff has the final say whether it is a good fit or not. Field sizes and game lengths increase as the ages/levels increase. All games are held at YMCA Bethesda-Chevy Chase field. Pick up a registration form today for more information or to sign up!
